THE FOSTER FAMILY CENTER FOR
Engineering Service Learning
AT UC MERCED

Join Engineering Service Learning!

Work as part of a highly skilled team and get real-world experience in your discipline and have a lasting impact on your community through Engineering Service Learning. Students gain valuable real-world experience through working on design projects to meet the needs of our non-profit partners.

Register for Engineering Service Learning (ENGR 097/197)

Contact esl@ucmerced.edu for help with a lecture time conflict override. No overrides for field sections.
