Multiple Major Program Eligibility and Application Requirements:

Please use checklist below to ensure a complete application

Proposed Majors: (1) _____ (2) _____

Proposed Minors: (1) _____ (2) _____

Cumulative GPA: _____

Cumulative Units Earned: _____

CHECKLIST:

- Sophomore or Junior class standing. Students with Senior standing (more than 90 units earned) are not eligible to apply for a double major.
- At least one semester in residence at UC Merced.
- Completion of WRI 10: College Reading and Composition or equivalent.
- Minimum 2.7 UC GPA
- Completion of at least two (2) courses in each major.
- Complete Change of Major Form

If you have a declared Minor(s), please list:

Current Minor: _____ Advisor: _____

Additional Minor: _____ Advisor: _____

No more than 12-upper division units (excluding units required for School and university-level general education) may be used to satisfy requirements for all majors simultaneously, whether these units are explicitly required by the majors or count as electives toward the majors

List below which courses you plan to take that will satisfy all majors simultaneously (total of twelve (12) units):

Course #1	Units
Course #2	Units
Course #3	Units

Include copies of your MyAudit for your primary majors and a “what if” for your intended/proposed major “

Return completed application to your primary major advisor. Incomplete packets will be returned.

Memo of Understanding

UC Merced Multiple Major Policy

A student in good academic standing who wishes to declare more than one major must petition the undergraduate School(s) responsible for the majors and receive School Dean’s (Deans’) approval. A School Dean may deny the petition for the additional major(s) if it is determined by the School(s) that there is too much overlap in the proposed coursework to justify allowing the student to receive the additional major(s).

No more than 12 upper-division units (excluding units required for School and university-level general education) may be used to satisfy requirements for all majors simultaneously, whether these units are explicitly required by the majors or count as electives toward the majors.

Students must satisfy all requirements for each major, including general education requirements across Schools, within the timeframe outlined by the UC Merced Normal Progress to Degree policy.

Majors earned will be noted on the student’s transcript and diploma. If the majors lead to different degrees (B.A. and B.S.), that fact will be noted on the transcript and the two-degree designations will appear on the diploma. A student who has declared multiple majors may choose to graduate with fewer majors. Students may not continue at the University to complete any remaining major(s).

By signing this document, I acknowledge my understanding of the following:

1. I must complete all School requirements including residency and minimum units and am subject to the enrollment standards, including minimum grade point average, of both Schools in which I wish to obtain degrees. Note: Students with majors within the School of Social Sciences, Humanities and Arts (SSHA) are required to complete 60 units of upper division work as part of their School requirements.
2. I must complete both lower division major and general education coursework for both Schools but may cross-count an unrestricted number of courses to satisfy these lower division requirements.
3. No more than 12 units of upper division coursework may be counted to complete major requirements for both majors, including electives for each major but excluding upper-division general education requirements.
4. Students must satisfy all requirements for each major, including general education requirements across Schools, within the timeframe outlined by the UC Merced Normal Progress to Degree policy.
5. Specific major combinations may not be eligible for double major programs.
6. I have verified with my primary advisor that my proposed double major program is acceptable.

I understand that coursework availability for both majors cannot be guaranteed.

Multiple Major Approval Form

Please check all intended majors:

Engineering

- Bioengineering (BS)
- Computer Science & Engineering (BS)
- Environmental Engineering (BS)
- Materials Science & Engineering (BS)
- Materials Science & Engineering (BS):
Nanotechnology
- Mechanical Engineering (BS)

Social Sciences, Humanities & Arts

- Anthropology (BA)
- Cognitive Science (BA)
- Cognitive Science (BS)
- Economics (BA)
- English (BA)
- History (BA)
- Global Arts Studies (BA)
- Management and Business Economics (BS)
- Political Science (BA)
- Psychology (BA)
- Public Health (BA)
- Sociology (BA)
- Spanish (BA)

Natural Sciences

- Applied Mathematical Sciences (BS): Computational and Data
- Applied Mathematical Sciences (BS): Computational Bio
- Applied Mathematical Sciences (BS): Computer Science
- Applied Mathematical Sciences (BS): Economics
- Applied Mathematical Sciences (BS): Engineering
- Applied Mathematical Sciences (BS): Environmental
- Applied Mathematical Sciences (BS): Physics
- Biological Sciences (BS): Developmental Biology
- Biological Sciences (BS): Ecology & Evolutionary Biology
- Biological Sciences (BS): Human Biology
- Biological Sciences (BS): Microbiology & Immunology
- Biological Sciences (BS): Molecular & Cell Biology
- Chemical Sciences (BS): Biological Chemistry
- Chemical Sciences (BS): Chemistry
- Chemical Sciences (BS): Environmental Chemistry
- Chemical Sciences (BS): Material Chemistry
- Earth Systems Science (BS)
- Physics (BS)
- Physics (BS): Atomic/Molecular/Optical/Condensed Matter
- Physics (BS): Biophysics
- Physics (BS): Custom Emphasis
- Physics (BS): Mathematical Physics
