Comfort in the Chaos: Monday 2PM to 3PM
Drop In Hours:
Tuesdays 3PM to 4PM

RESEARCH WEEK 2019

Will be held on the week of March 4th through the 8th.

Research conducted at UC Merced fosters the development of students and faculty; it extends growth from within the local neighborhood to the global academic community. To celebrate this, UC Merced dedicates a week each year to highlight some of the significant work being conducted at the university. It is an opportunity for the general public to see the many innovative projects underway. The scholarship includes biotechnology; chemicals; computer hardware and software; devices; diagnostic; drug discovery; electrical; energy; engineering; environment; imaging; materials; medical; nanotechnology; optics; therapeutic; transportation; and many more. We welcome everyone to participate in the events and discover the many ways UC Merced researchers are working to find solutions to society's most pressing needs.

Research Week — UC Merced

Monday, March 4, 2019

UNIVERSITY OF CALIFORNIA MERCED

NSSE

national survey of student engagement

UC Merced First Years & Seniors – did you get your NSSE email? Check your email and help shape the UCM experience.
Your feedback will help UC Merced better understand:

- How well we support (and can improve!) your success and engagement on campus
- Your overall UC Merced experience (academic and social)
- How we stack up against other universities across the US

NSSE takes about 15 minutes to complete and will award 100 $25 Amazon gift cards!
Open to UC Merced First Years & Seniors
